April Class Descriptions

Ages & Stages- These are questionnaires that give an effective and affordable way to systematically screen infants and young children for developmental and social-emotional delays in the crucial early years of life. Come and learn some of the age-appropriate skills you can introduce to your child. Register in Suite 108 to schedule your session.

Ask a Pediatrician from UNLV School of Medicine - A Children's Health topic will be presented from a Pediatric Resident Physician from the University of Nevada Las Vegas-School of Medicine. Topics change each week and covers a range of issues including Child Car Seats, Nutrition, Obesity, Vaccines, Breastfeeding, Smoking Dangers, and much more. The presentation will be followed by a brief Q&A session where you can ask the Pediatrician any questions about their presentation or anything else about your child's health.

Baby Basics- Baby Basics 101 with Sunrise Children's Hospital- Sunrise Children's Hospital will be offering a class on what new parents need to know to care for their baby. The class will cover basic infant care and discuss and give support for breastfeeding. It will be led by Terri Elliott RN. Terri is an International Board Certified Lactation Counselor as well as a Registered Nurse.

Backwards Day- Forget everything you know and join us for a silly day of backwards activities! We will have movement, crafts, and lots of backward learning fun. And don't forget to dress the part- wear your clothes backwards for a special prize! Taught by F2F Staff.

Butterfly Life Cycle Weeks 1-4- - Explore the life cycle of a butterfly from caterpillar, to chrysalis, to butterfly in this three week course as we hatch real live butterflies!

Children's Cabinet Presents "I am Ready for K": Help your child get prepared for the transition to kindergarten with math, literacy, science and art activities.

Dancing with Miss Jenny® - Dancing With Miss Jenny® is a creative movement program designed to aid preschool aged children with and without disabilities achieve developmental milestones. Miss Jenny's concepts are a fusion of early childhood education, dance, and creative movement concepts choreographed to strengthen physical and mental advancements in young children.

Developmental Activities- The early years are the time to build a strong foundation in all developmental areas. Join us as we engage in fun activities that touch on all five developmental domains: cognitive, physical, social/emotional, language, and self-help/adaptive development. Meeting specific milestones in all five domains of development and learning helps preschoolers establish behaviors and skills that will make them successful. Taught by F2F Staff.

Earth Day- Let's celebrate the Earth together with developmental activities designed to allow your student to understand the beauty of the Earth we inhabit. Taught by Miss Anamile.

Easter Egg Extravaganza! This class is will be filled with different crafts and activities where children will learn about Easter Eggs. They will also work on a fun science project. Taught by Miss Anamile.
