June Class Descriptions

Ask a Pediatrician from UNLV School of Medicine - A Children's Health topic will be presented from a Pediatric Resident Physician from the University of Nevada Las Vegas-School of Medicine. The topic will be COVID, its variants, the vaccines and coping with the stress it has put on our families and children. The presentation will be followed by a brief Q&A session.

At the Beach - Going to the beach is a perfect summer day get-away. Let's get beachy with activities and crafts, and maybe a beach ball or two. Presented by F2F Staff.

Dance Party with F2F Staff - Dancing is a creative and fun way for preschool aged children with and without disabilities to achieve developmental milestones. F2F Staff use common household and classroom items, and incorporate them into the choreography to assist in bringing out the desired movements of the child, as well as provide a novel way to maintain their attention. Each piece of choreography targets a combination of developmental benchmarks such as gross and fine motor skills, sensory, cognitive, language and social skills.

Discovering Hardware with ZeduPlus - It is important to understand how hardware works and to know the main parts of the devices that we use day by day. During this class, kids will have the opportunity to understand through hands-on activities what hardware is, and learn about its components.

Do You Know the Colors of the Rainbow? - Rainbows are beautiful, and in this class, we will get up close and personal with all the colors that make up the rainbow. Come learn about how rainbows are made, and make some rainbows of your own. Presented by F2F Staff.

I Can Be a Community Helper Too - So many people in our community help out in so many different ways. Kids and families can be community helpers, too! This class will explore all the ways that we can pitch in and help out our neighborhood. Presented by F2F staff.

Family Day at the Park- Join us for fresh air and gross motor fun. Dress for the weather. Be sure to bring a snack and some water - and don't forget the sunscreen! Siegfried and Roy Park, 5590 Wilbur Street, Las Vegas, NV. 89119

Garden and Play Day at SMART Garden Experience - The SMART Garden Experience is a program for kids and families where nature meets technology, creating communities around gardening, eating and learning. Don't forget to bring some water and a snack, and of course, some sunscreen. Presented by Katy Toma with ZeduPlus. 715 N. Tonopah Drive, Las Vegas, NV 89106.

Get Ready for America's Birthday - The 4th of July is just around the corner. Help us celebrate by making your very own firework craft, and maybe an American flag craft, too. Presented by F2F Staff.

Going on a Road Trip - Road trips are a common family activity in summertime. We will put together a road trip activity box, to help keep your little ones engaged for those long stretches of open road. Presented by F2F Staff.

Here Comes the Sun - During the summer in Las Vegas, the sun rules the days. This class will include activities and crafts all about the sun. Presented by F2F Staff.

Hooray for Dads! - Dads come in all shapes and sizes. Let's celebrate the dads (or the men who act as dads - granddads, uncles, etc.) in our life. Kiddos will be able to make a craft for that special man in their life. Presented by F2F Staff.

Independent Play: A "How To" Guide for Parents - Getting your child to play independently for a few minutes while you get dinner ready, or any other chore, is a skill that is helpful for not only yourself, but your kiddo, too. In this class, F2F Staff will present tips and tricks for helping your child play independently.

Let's Learn Sign Language - Sign language is an excellent way for little ones who don't talk yet to communicate what they need. This class will present some basic signs that babies and toddlers can easily learn, plus a few more for the older kiddos, too. Presented by F2F Staff.

Make Your Own Playdough - Have you ever wanted to make your own playdough? If so, then this is the class for you! We will be making our own kid safe playdough, and then making whatever we want out of that playdough. Presented by F2F Staff.

Music & Movement at the Clark County Library - We will head over to our neighborhood library where the staff there will present a class that includes rhymes, songs and dances that are perfect for those little ones that are always on the go. 1401 E. Flamingo Rd., Las Vegas, NV 89119.

Process Art - Painting is fun, but it can be even more fun when you don't use a paintbrush. Come see what happens when you paint with golf balls or marbles or many other types of materials. Presented by F2F Staff.

Snack Time- Bring a snack for you and your child to enjoy while they visit with friends.

Story Time with F2F Staff- Reading to your child at an early age is one essential gift that will prepare them for a great start in learning. Come and join F2F staff for this fun packed story time! There will be a brief story time and a related activity craft. This class will encourage your child's creativity, help them to build comprehension skills and use their imagination.

Story Time with Ms. Nina- join engaging Outreach Specialist, Nina Guevara, from the Las Vegas Clark County Library District for a learning storytime! Nina will be reading, singing and playing while infusing Nevada Pre-K Standards for Language and Literacy as well as vital strategies for building executive function skills such as focus and self-control. After storytime, Nina will be sharing about various library resources such as eBooks, our website, the Summer Challenge program and the VROOM website and app!

Staying Healthy with F2F Staff- From exercise and hygiene, to what we choose to eat and drink, we have a lot of control over how healthy we are. This class presents activities and crafts that highlight the different ways in which we keep ourselves healthy. Presented by F2F staff.

Soaring with Your Senses with F2F Staff- Explore how using your senses of touch, taste, and smell among others can help your child learn and develop in new ways! Participate in fun activities and crafts to learn about different senses. Presented by F2F Staff.

Welcome Back (Parts 1 & 2)- It's been over a year since we had classes in our center, and we miss you! On our first day back, we wanted to take a moment and catch up. Whether you are a returning family, or brand new to Family to Family, we want to take the day and just get acquainted (or reacquainted) with everyone again. Join us for a day of community and joy. Presented by F2F staff.

Who are our Community Helpers?- From firefighters to doctors to delivery drivers, who are the community helpers in your neighborhood and what do they do? Students will explore the many ways communities work together, engage in dramatic play, and write a letter and draw a picture thanking a community helper in our neighborhood. Presented by F2F staff.
