October Class Descriptions

A Whale of a Tale – Join F2F staff as we read “A Whale in the Bathtub” and learn all about the largest mammals on Earth. Presented by F2F Staff.

Amazing Apples – Apples, apples, everywhere! In this class, we’ll discover things to do with apples besides just eating them (although, we’ll eat some, too). *Hope we don’t find any worms – EEEK!* 🐛🐛 Presented by F2F Staff.

Boo at the Zoo – Ghostly gorillas? Eerie elephants? Monstrous monkeys? Let’s pretend we’re zoo animals dressing up for a scary night of Halloween fun! Presented by F2F Staff.

Dia de los Muertos Traditions – Did you know that other countries celebrate Halloween in their own special way? Today we will talk about Dia de los Muertos, or Day of the Dead (in English), and learn about how the Mexican people celebrate this very special day. Presented by F2F Staff.

Family Day at the Park- Join us for fresh air and gross motor fun. Dress for the weather. Be sure to bring a snack and some water - and don’t forget the sunscreen! Siegfried and Roy Park, 5590 Wilbur Street, Las Vegas, NV. 89119

Football Fun – In the fall, those of us who call the United States home know that everyone gets football crazy around this time of year. Let’s have some of our own football fun in this high energy class. And who knows, maybe we will throw in a little soccer, too (which is what the rest of the world knows as “football”). Presented by F2F Staff.

Halloween Party! – Come dressed in your Halloween costume as we celebrate the scariest holiday of the year. And, who knows? Maybe there’ll be some candy! *Oh! I hope so!* 🍬🍬 Presented by F2F Staff.

Jump, Jump, Jump – This class is designed for toddlers who are already walking. The purpose of this class is to provide opportunity for physical activity and fun and promotes large muscle development and exercises coordination and balance. Be sure to bring some socks for jumping. **PARENT PARTICIPATION AND CLOSE SUPERVISION IS MANDATORY FOR THIS CLASS!!**

Ocean Art – The ocean is so big and mysterious that it has inspired artists for centuries. Let your budding artist be inspired by the ocean too as we create our own works of ocean art. Presented by F2F Staff.

Ocean Exploration – In this class, we will learn about the different types of animals that call the ocean home through songs and stories and hands-on activities. Presented by F2F Staff.

Ocean Math – What could be better than learning math concepts with a dolphin or a sea turtle? Nothing! Join us as we do just that and get our fingers wrinkly in Ocean Math. Presented by F2F Staff.

Place-Based Learning: Las Vegas Natural History Museum – There are many wonderful museums in our community, and the Las Vegas Natural History Museum is one of them. We will have a guided tour of the museum and learn about animals from around the world. We will meet at the museum at 9:45 for a 10:00 tour. 900 Las Vegas Blvd, N., Las Vegas, NV 89101

Pumpkin Play – This class is all about pumpkins. Pumpkin painting, pumpkin math, and we’ll get elbows deep in some pumpkin guts. Prepare to get messy! Presented by F2F Staff.

Room on the Broom Book & Canvas – We’ll read “Room on the Broom,” a book about a friendly witch and her friends, and then use that book as inspiration to paint on our very own canvas. It’s sure to be a witchy good time! Presented by F2F Staff.

Snack Time- Bring a snack for you and your child to enjoy while they visit with friends.

Soaring with Your Senses: Touch - Explore how using your sense of touch can help your child learn and develop in new ways! Participate in fun activities and crafts to learn about how touch informs your children’s sense of the world around them. Presented by F2F Staff.

Storytime at the Clark County Library- Let’s get out to our favorite library to listen to stories and songs and get a craft to take home at the end. 1401 E. Flamingo Rd, Las Vegas, NV 89119

Sweater Weather – Living in the desert, we’re used to heat and sun. We’re finally in the time of year where we get to snuggle up in some cozy sweaters. Bring your comfiest sweater and enjoy some sweater-themed activities. Presented by F2F Staff.

We’re Falling for Fall Leaves – Have you ever wondered why this is the “fall” season? Why, it’s because of all the falling leaves, of course! There are so many fun things we can do with leaves. In this class, we’ll explore some of them and maybe make a little mess in the process. Learning is so much more fun when it’s a little messy! Presented by F2F Staff.

Zoo Math - Oh, wait. We figured out what was more fun than learning math with dolphins and sea turtles – learning math with tigers and elephants! Get your inner zookeeper ready as we tackle some math concepts using our zoo animal friends. Presented by F2F staff.

Zoorific Art - Art is such a great way to express yourself and when you combine art with your favorite zoo animals, a masterpiece is bound to be produced. Come make your zoo masterpiece (or masterpieces) with us in this class. Presented by F2F Staff.
